Philippino helper available beginning of June

Our helper, **Ester Laloy** is looking for a family to work for because we are relocating at the beginning of June. She has experience working with Western and Eastern families, small kids, big kids and elderly people. She loves babies and dogs. She speaks fluently English. She looks for full time live-in employment.

Ester has been a very reliable help to us. She took care of our three kids for 5 years, 3 years in Singapore and 2 years in China. The kids are now 7, 5 and 5. She works independent, taking care of the cleaning, grocery shopping and cooking. She is best buddies with our kids. We are very sad to leave her behind and hope she finds a nice family to work for.

She currently lives with us in China. You can reach her on her mobile: +8613128776337 or email: esterlaloy@yahoo.com.sg. Or you can call me for further information.
